CHURCH PLANTING IN USA

## Ministries

**Claudia and I live on the road full-time in a 5th-wheel trailer.** We usually spend 6 months assisting each church planter, using *The Phone's for You* as a tool to find prospects. After the first service, we help with follow-up visitation, music, children's ministry, personal soul-winning and discipleship, land search, etc.

**When our schedule allows, we also assist established churches that are stalled in growth and outreach ministry.** We use a modified phone program to help them find new prospects and re-establish their presence in their growing or changing community.

## Prayer Requests

Our next project is a church plant from scratch in Bellingham, WA, north of Seattle (with Faith Baptist in Taylors, SC; GFA). Pastor **Duane Smith** has found the first meeting place for Providence Baptist and is working on promo materials and launch plans. Claudia and I will trek out there in August and begin working toward the Grand Opening service on November 13. Pray!

Pastor Duane Smith graduated from BJU with his M.Div. in 2015 at the age of 63. Pray for God's help upon this dear brother and his wife, Doris.

## Prayer Requests

Pray for the first-ever Pastors' Wives Retreat at the Wilds (NC), November 9-11. Ministry-related trials can deeply wound ministry wives and cause ministry marriages to struggle. Pray that the pastors' wives who come to the retreat will be comforted and encouraged!
